images to win!**

## iAWARDS

We are looking for high resolution application photographs (300dpi jpeg, 20cm x 20cm) of any projects showcasing the end use of our plastic sheet range including Marlon Polycarbonate, Marvec PVC, Foamalux Foam PVC, Marcryl Acrylic, Marpet-g FS PETg or Marpet-a FS aPET.

We are inviting entrants in the following five categories, which represent the diverse ways in which our products can be used:

### Architecture and construction

### Agriculture and horticulture

### House and home

### Visual communications – signage and display

### Fabrication

# Submit your images now

For the chance to win one of our fantastic prizes and a place in the Brett Martin 2023 calendar.

## HOW TO ENTER

Simply email your digital photographs to:  
**[staceynelson@brettmartin.com](mailto:staceynelson@brettmartin.com)**.

Please remember to include your name, company name, project details and details of the Brett Martin Plastic Sheets material used. Images must be permitted for use in the promotion of our products on our website and in our company literature. Entries are unlimited so enter as many times as you like.

## CLOSING DATE

Friday 2nd September 2022
