MARKETING SUPPORT MENU

Brett Martin Plastic Sheets has a wide variety of marketing material available to support plastics distributors worldwide.

From traditional literature and promotional items to branded sample packs and tailored marketing campaigns, the support material is designed to drive your business forward and increase sales. Most literature is available in English, French, Italian, German & Spanish and other languages can be requested.

Get in touch with your sales contact to order any material or to discuss how we can help you.

POLYCARBONATE SHEET
Marvec CS Agri sheets provide chemically resistant and durable cladding for the walls and ceilings of agricultural buildings. The white, high gloss finish of the sheets provides a bright airy interior and a smooth surface for ease of sanitary maintenance.

**Marvec CS Agri UV** is suitable for external applications. Made from corrugated PVC, the liner panels are easy to install and maintain, and will not rust or corrode.

- **Thicknesses:** Available in thicknesses to suit specification
- **Tints:** White
